HOWEVER, IF
HE GETS PATTED
TWICE GENTLY,
THE ANGEL HALO
WOULD DISAPPEAR
AND HE'D COME
BACK TO LIFE.

IN THAT WORLD
WHEN ONE'S HEAD
GETS PATTED ONCE
AN ANGEL HALO
WOULD APPEAR
ABOVE HIS HEAD
AND HE'D PASS ON.

Since then,

This
particular
one left a
very deep
impression
on me.

When
I was
small,

Grandma
usually
read me
picture
story
books.

whenever
I see a
damaged
item...

...I'd uncon-
sciously...

...pat it
twice...

Pat
pat

...on the
head.

And this
ritual remains
unchanged
even after
I've turned 29.

He'd probably

I'd asked him...

YOU WERE TOLD

WHEN...

SO.

WHEN WILL
I START

He's worked
hard toward
that.

paid a lot of
attention
to that.

The power
I thought
when...

...he went off
and said that.

I thought he'd
observed me
closely...

...so he wouldn't
make me feel
uncomfortable.

Honestly,
I can't
read him.

THIS ONE
COST QUITE
A LOT BUT...

I THINK IT
WILL NEAR
ITS END
ANYWAY.

TO THINK
THIS IS
HOW IT'S
FINALLY

I've seen

RELIED
ON...

THIS
SORT OF
GUY...

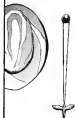

...IS A
FIRST
FOR ME.

He looks all
grown up...

...yet so
childish.

He looks
really
strong...

...but his smile
is fragile.

...before I can
fully under-
stand Ryou.

It seems like
it'll take
some time...

MEMO

A house was built and lived in by
an American married couple who
later sold it for cheap. For several
years, around he torn down several
walls and reformed the place.
1st floor functions as a business
workshop storage house.

CAN'T
DO.

IT'S A
MEETING.

WAIT.
SIT DOWN,
NOW.

GOOD JOB,
GUYS.

ALL RIGHT, DISMISSED

BEIDES,

SEEN THEM
EVEN ONCE
SO FAR!

I DON'T
NEED ANY
LESS FOR
CONSOLA-
TION

DO YOU UNDER-
STAND THAT
THE NUMBER OF
WORKERS AND
THE LOAD OF
WORK IS NOT

THIS IS BE-
YOND BEING A
CORPORATE
SLAVE, WE'RE
SHOPS LIVE-
STOCK!!

IN PROPOR-
TIONS AT
ALL!?

WE CAN
THINK OF
THAT AFTER
THE RE-
MODELLING
IS DONE

IT'LL BE
TOO LATE
THAN!!

AREN'T WE
SUPPOSES TO
THINK THAT'LL
HAPPEN WITH
YOUR SHOP
FROM NOW
ON!?

END

- (genus of grass, apex)
1. A human of *Hominidae* Homo
 2. A human of *Canis*
- (genus of dog)

In reality the second one
biologically does not exist, but
if we classify by personality as well
it might exist somewhere.
A human with no inner, collapsed on
the side of the road might exist.

To let it live or to let it die
solely depends on the human
who touches it.

Well then, how far can
Satoru and Ryou go.

Searching for someone's hand is more or less
how I draw "Dear Mr. Rain", but
at the end I have not grasp something in their depths,
looking far to find it this will be it for today.

Therefore I'm grateful to all of you who touch
my first transcriber in your hands
